11th November 2020

Dear Parent/Carer

We are pleased to say it is 'business as usual' in school despite the national lockdown. It is important that we ensure we apply all safety measures we can to reduce the risk of coronavirus for students and staff in school. This is balanced with ensuring we continue to provide all students with high quality opportunities at all times. Physical and mental wellbeing is vital for success and therefore, has been a big focus for us over the last few weeks.

You may be aware that the government have recently agreed to fund free school meals over future school holidays which is great news for all those that need it. We are still waiting to hear back regarding the council's retrospective vouchers for October half term and will write to you as soon as we hear more. Despite this, we are proud to inform you we managed to support many of our students with food parcels over the holiday in partnership with Mr Singh's Pizza. We are incredibly grateful that a local firm supported them by providing free pizzas <http://mrsinghspizza.co.uk/>.

There is further support for those that need it through the following:

Emergency food for families: Information from Birmingham Children's Partnership -

Please complete a simple [online Family Connect form](#)

A reminder that there is a lot of other early help in the city for all young people and families. Please click here [From Birmingham with Love](#) to read details of what is available to support families. The pack includes a voucher worth £86 for parenting support, online mental health support and advice and guidance about food banks, money, etc.

Finally, despite all the challenges, we are proud that our attendance rate remains above the national average. Attendance in school is vital for students to learn and develop physically and mentally; whilst there may be times when students need to isolate or are ill, students should continue to strive for 100% attendance throughout this academic year.

We hope your families remain safe and well.

Yours faithfully,

Mr Bailey
Headteacher

Miss Slater

Who are we?

Mr Singh's started off as Pure Veg, a restaurant based in small premises in Smethwick in 2005. 2 years later we moved to a location in Oldbury where we arrived as Mr Singh's and concentrated on what we do best, making the world's greatest Pizza's!

Since then we have grown and now have 2 Locations our Flagship dine-in restaurant at Handsworth and our Takeaway Location in West Bromwich. As pioneers of the Veggie dining experience we continue to innovate with new and tasty menu items.

As a family business we hope to create a fun, family atmosphere where you can relax with friends and family, and enjoy the great food as well as the atmosphere.

so to sum up.... Mr Singh's is a laid back, fun filled place, where you can relax, chill and eat delicious Vegetarian food, how you want it!!

The Experience

The Mr Singh's Family want every customer to enjoy eating in our diners. So we do our best to make sure that you can chill out enjoy your food and the company. You want your food the way you like it just let us know and we will do our best to make it your way
