Echo Eternal Horizons Festival 2021

Dear parent/carers

Each year as part of a festival, CORE Education Trust's Echo Eternal partners schools and community groups with survivors of the Holocaust, who share their personal testimonies to engage pupils and communities directly with living history. Using live performance, exhibition and film, the participants then create 'echoes' – creative pieces that pay tribute to these survivor testimonies.

Returning for its third year, the 2021 festival will see thousands of people from across Birmingham, Coventry, Liverpool and London honour survivors through daily events and the screening of a collaborative digital performance. We are delighted to be involved in Horizons 2021 and look forward to showcasing our artistic work inspired by Holocaust survivor Maurice Blik on Sunday 10th January.

This year, Rockwood Academy is launching the festival, honouring the testimony of Holocaust survivor Mady Gerrard. We would like to invite you to join us on Thursday 7th January as the festival is launched with a film, which will be featured on the Horizons Festival website: <http://www.horizonsfestival.uk> from 6pm.

We hope that you will tune in and enjoy the film from the safety of your own home.

For more information on future campaign days, including our day at City Academy, please visit horizonsfestival.uk

See you there!
