Dear Parent/Carer,

Digital Innovators are working with CORE schools to offer Year 11 students the opportunity to unlock their potential.

Students' strengths and abilities are analysed using our unique program, "CareerFit"; projecting both their current and future capabilities and which career paths would possibly best suit their personality and work requirements. CareerFit analyses participants interest areas, personal needs and work needs, leading to a unique insight into prospects for careers and individual development.

There is no cost to students to take part. We have adapted our programme so that can be delivered online and CORE staff have been trained in delivering feedback to enable students to understand and benefit fully from the information and perspectives they gain.

The CareerFit survey and feedback will happen as part of online schooling on the following dates and times. Please would you help ensure that your child is logged on at school ready for these two sessions so as they can benefit from this unique opportunity for their future.

CareerFit programme for Year 11 students

School	Session 1 CareerFit Assessment day	Session 2 - Feedback day
CITY	Mon 25 Jan 9.15 -10.15	Mon 1 Feb 9.15 -10.15

Saturday 30 Jan Final online deadline 12 p.m. All Online survey submissions

CareerFit helps equip students to understand themselves and their personal strengths to inform them in making career, study and training decisions. The feedback given to students is used as a guide to their possibilities, not their destinies.

If you have any questions, please do get in contact with me at msethi@corecity.academy

Yours faithfully,

Ms. M Sethi
Deputy Headteacher
