14<sup>th</sup> May 2021

Dear Parent/Carer,

I trust this letter finds you and your family well, and that you have been able to make the most of lockdown restrictions easing.

As you may be aware, the Government's latest advice to schools means that from Monday 17<sup>th</sup> May 2021, your child will no longer be required to wear a face covering at all times when at school. However, if your child wishes to continue with wearing a mask in school, they are welcome to do so.

As always the safety of our staff and students is paramount. Face coverings will continue to be worn by staff and visitors in indoor situations or outside of classrooms where social distancing is not possible, for example in corridors or communal areas. These changes are outlined on our most up to date risk assessment which can be accessed from the school website.

May I take this opportunity to remind you of the importance of regular testing in helping to manage the spread of the virus and to ask you to encourage your child to test themselves twice weekly.

Thank you for your ongoing support to school.

Yours faithfully,

Mrs R Shell-Macleod  
Head of School

Mrs R Bakewell  
Head of School
