Dear Parents/Carers

I am pleased to report the behaviour data for this week. There are 324 students that have received no negative behaviour points this week, and 516 students who have received positive behaviour points. The year group with the most positive behaviour points this week are year 9. Well done Year 9! Please discuss the Class Charts data with your child. At City Academy, all behaviour and attendance information for your children can be found by logging onto **Class Charts**. If you do not have access to Class Charts, please contact us on enquiries@corecity.academy, so we can support you to access this information.

Next week is our first Opportunity Day of the year. We are pleased to be able to offer Opportunity Day, as an entitlement for all students in years 7-10. Next week we have:

- Year 7 visiting Thinktank
- Year 8 having a space experience onsite

- Year 10 – Geography students will be completing the fieldwork element of their GCSE, an urban study and History students will visit Kenilworth Castle

Today is World Mental Health Day. The theme this year is 'is access to services- mental health in catastrophies and emergencies.' This theme highlights the importance of people being able to protect their mental health in times of global instability. This week your child has had an assembly regarding good Mental Health. Please speak to them about their learning over the weekend.

Next week see the beginning of Year 11 mock examinations. To support Year 11 in preparation, we are running morning 'Breakfast Boosters' as detailed below:

w/c 13 th October	English Lit	Biology	Maths	Chemistry	Physics

These sessions will be run by your child's teachers and will be a final push into a successful exam series. This is a taster of some of the things we put in place during the GCSE exams in May/June. Please encourage your child to attend. We look forward to seeing them on Monday at 7.50am.

As always, I thank you for your continued support.

Yours sincerely
