Dear Parents/Carers

I am pleased to report the behaviour data for this week. There are 327 students that have received no negative behaviour points this week, and 596 students who have received positive behaviour points. The year group with the most positive behaviour points this week are year 8. Well done year 8! Please discuss the Class Charts data with your child. At City Academy, all behaviour and attendance information for your children can be found by logging onto **Class Charts**. If you do not have access to Class Charts, please contact us on enquiries@corecity.academy, so we can support you to access this information.

This week we started with a Staff Development Day, which was the 5th annual Delivering A CORE Education Day, affectionately known as DACE. We did keep our Twitter feed updated throughout the day, so please head to our Twitter if you would like to know more. Next week is year 11 Parents Evening. The parents evening will run from 4:30pm to 6:30pm on Thursday 23rd November. We will be issuing the results from the recent mock examinations on the evening and will only issue to students with their families present. The evening will be an opportunity to speak to your child's teachers about their learning and progress, as well as any support you can provide when they are revising at home. We look forward to seeing you there.

At City Academy, we always look ahead. In preparation for September 2024, we would like to share the following information:
