November 2021

Dear Parents/Carers,

In line with government advice, we will be reintroducing face coverings in all communal spaces, including corridors, toilets and the canteen.

At the moment, there is no expectation for face coverings to be worn in classrooms unless students choose to. This will commence from Tuesday morning. If your child uses public transport, then it is also expected that a face covering is worn whilst using this service. If a student is medically exempt, they will need to carry an exemption pass. We would encourage you to continue testing twice a week at home and to follow all other guidance regarding hands, face and space.

You may have also seen over the weekend that there will be a return to on-site testing on students' return after the Christmas break. We will issue further information on once plans have been finalised.

Kind regards,

Mrs R. Shell-Macleod  
Head of School

Kind regards,

Mrs R. Bakewell  
Head of School
