

Reference: School partial closure for KS3.

Monday 11th July 2022

Dear parent/carer,

As you are aware, we are developing our Langley site so that we can reunite our pupils onto one site. Due to this redevelopment Years 7, 8 and 9 pupils will be learning remotely from Thursday 14th July 2022 until the end of term. Lessons will begin online, through Microsoft Teams at 8:35am and finish at 3:10pm. Lessons will be a mixture of live teaching and independent practice. There will also be the opportunity for extended learning and enrichment activities.

The school will be providing vouchers for pupils who are eligible for free school meals.

Sports day will continue for Year 7 (Monday 18th July) and Year 8 (Tuesday 19th July). The end of year trip to Alton Towers on the 21st July will go ahead as planned and pupils will need to attend school at 7:30am.
