Wednesday 10th May

Dear Parent/Carer

On Monday 15th May, Year 11 begin their exams on the Newhall site and Year 7 join us permanently, at the Langley site. As you can imagine, this has logistical implications and is a significant day for both Year 11 and Year 7. To ensure Year 11 get the best possible start to their exams and Year 7 adapt to their new environment, we have decided that **Years 8, 9 and 10 will start at a slightly later time of 11.25am, on Monday 15th May**. This gives us the opportunity to ensure Year 11 are equipped for their first exam, and Year 7 are acclimatised to the new surroundings and expectations.

15/05/23	Year 7	Year 8	Year 9	Year 10	Year 11
Latest Arrival	8.35am (Langley Site)	11.25am	11.25am	11.25am	8.35am (Newhall Site)

Year 7, from the 15th of May, will attend school on the Langley site. There will be no more bus service between sites, so if your child currently arrives at Newhall daily, please make travel arrangements for them to be at the Langley site from Monday.

We appreciate the support of parents as we navigate this transitional period.

Yours sincerely

Mrs R. Bakewell
