Thursday 22nd September 2022

Year 11 Success Evening

Dear Parent/Carer

City Academy will be hosting a Year 11 success evening on Thursday 29th September at our Langley Walk site from 5:00 – 6:30pm, there will be some parking available but this will be limited. The event will give you an opportunity to hear about the plans we have in place for Year 11 this year and how we will prepare your child for the forthcoming GCSE MOCK Exams in November 2022.

On the evening you can expect presentations from members of the Leadership team and Heads of Mathematics, English and Science. You will also get the opportunity to speak to Heads of Departments of all the subjects to gain the best advice and support to prepare your child.

We will be issuing revision material including revision guides for students to use this year to prepare them for their GCSE Exams.

We look forward to seeing you on Thursday 29th September.

Yours sincerely

Mrs R. Bakewell
Headteacher
