Dear parent/carer,

Year 11 will be learning remotely from Monday 20th June and only attend school when they have examinations. Lessons for subjects who are still to sit their final examinations will be delivered through Microsoft Teams, supported by independent study using the revision guides and materials supplied by the subject teachers.

When your child has a morning examination, they should enter the school through the reception and report to the canteen by 08:35, where they will be provided with breakfast and receive an additional subject specific intervention. For afternoon examinations, pupils should enter the school through reception and report to the canteen no later than 13:00. **Students must attend school in full school uniform.** Failure to do so will mean that they will be unable to sit their examination.

A week of activities has been planned for students starting on Friday 24th June and will be shared with pupils via Microsoft Teams.

If your child requires a free school meal, a packed lunch will be available from reception if requested.

Yours sincerely,

Mrs R Shell-Macleod
Head of School
