Ref: Year 7 Langley Walk

Wednesday 3rd May 2023

Dear Parent/Carer

As we move forward with the ongoing development of City Academy and the Langley Walk site we are delighted to be able to welcome our Year 7 students to Langley Walk, they will no longer be transported to the Newhall site daily. This will begin **from Monday 15th May**, meaning all students should arrive directly to Langley walk for the beginning of the school day - **no later than 8.30am**.

To ensure this transition is as easy and as manageable for Year 7 as possible, we will remain consistent with lots of elements of their schooling so far. Student workbooks will all be transported to Langley Walk site and many of their teachers and lessons will remain the same. They will have the same Head of Year and Year Group Coordinator in Ms Holness and Ms Oyelami. Students will continue to have **Physical Education lessons on a Friday** so this is the day that all students should arrive to school in **full PE kit**.

Students will be spoken to about the move to Langley Walk and some of the changes that they will experience including a new environment, new staff and other children. Some of them may have additional questions about this so it is important we support them with this. We will be running an assembly and some Personal Development work in school to answer their questions.

Year 7 students should arrive at Langley Walk, on Monday 15th May, no later than 8.30am.

If you have any questions regarding the content of this letter, or your child's transition to Langley Walk, please email enquiries@corecity.academy.

Yours sincerely

Rebecca Bakewell
