Dear Parents/Carers

Re: Year 9 Cumulative Assessment Timetable begins on Tuesday 6th December 2022.

We will be conducting the first Year 9 Cumulative Assessments beginning on Tuesday 6th December 2022. Please find the assessment timetable below.   Your child's teachers have provided a list of topics and content to revise. It is important that your child spends time revising and preparing for these assessments and to do this they should be spending at least 1 hour per night revising.

On the day of assessments, your child should ensure they come to school properly equipped and this includes the relevant exercise books and textbooks for the subjects being assessed.

Should you have any questions regarding the assessment process please contact the school and speak to your child's Head of Year/Year Group Coordinator.
