27th May 2022

Dear Parents/Carers,

I am writing on behalf of the Physical Education department to give some information regarding your child's participation in Sports Day during Year 11 Enrichment week on Monday 27th June.

Sports day this year will be held at **Nechells Wellbeing Centre (Rupert St, Nechells, B7 4AR)** your child is expected to make their own way there where they will then be registered on arrival.

Students are required to arrive at the centre at 9:45am for a 10'oclock start. They will take part in a variety of activities within their CORE house groups lead by the PE department throughout the day.

Students are required to bring lunch as there will not be an opportunity to leave the facility during the day. If your child is free school meals then a lunch will be provided for them on the day.

Students are required to attend Nechells in school branded PE kit to participate in the events throughout the day. Leggings are only allowed if shorts are worn over the top.

If you do not currently have the above, please ensure plain black or navy attire is worn instead and this will be permitted for the day.

If your child has a serious injury or condition which prevents them from taking part in the day, can you please provide a note explaining the condition. Please note that **your child should still wear their PE kit on the day to encourage their team.**

When students arrive to Nechells they will be given the opportunity to hand in any valuables to a member of staff. This includes wallets, watches, mobile phones and music players etc. As a school we state that students must not bring in high value items and if they choose to then this is at their own risk.

The school cannot accept responsibility for any lost, damaged or misplaced items.

The day will finish at 2pm and students will then be free to make their own way home from the venue.

If you have any questions please do not hesitate to contact me. Thank you for your support.

Yours sincerely

Mrs K McAllister
Co-Head of PE
